

WISA®-Sprucefloor

WISA-Sprucefloor is an engineered plywood panel specifically designed for flooring. The panel's excellent technical properties – strength, stability and light weight – make it a perfect flooring solution in house building, light industrial and commercial applications. Unique to the UK market, WISA-Sprucefloor panels come in specific sizes and are tongued and grooved on all four sides, making installation and use easy and effortless.

Base panel

WISA-Spruce
